

Video Director Job Announcement:

The Greater Piney Grove is looking for a reliable Video Director. They will undertake the task of ensuring that all camera operators are trained and that they too are able to work on the camera. The Video Director must be able to edit any video and ensure that the camera operators have adequate support to work efficiently.

Job Requirements

- The Video Director MUST have experience in the following:
 - Atem Switcher
 - Video Editing
 - Video Camera Parts
 - Understanding of Video Lighting
 - Knows the Importance of Live Streaming, Formats, Resolutions, Bandwidth, API, Streaming Encoder and Platforms.
- The Video Director must know all the parts on a camera that the church uses.
- Must be able to edit video using various editing software
- Will be responsible for training all new hires (camera operators)
- Work with all camera operators and give shot direction
- Must be free to work funerals, weddings, or other events that take place on Church campus
- Must be available to Live Stream funerals off-site (away from the Church campus), i.e. Funerals Home, Graveside, or other locations.
- Must be able to live stream whenever directed by the Audio-Visual Director
- As Video Director, you will have to fill in/cover when other camera operator(s) call in or out.
- Video Director will take instructions and Report Directly to the Audio-Visual Director
- As a Video Director, you are not limited to your position only; there will be times you'll have to assist in other areas and work as a Video Director also.
- Must be on time always to have all video equipment setup, tested and ready to go.
- The ideal candidate will be competent in prioritizing and working with little supervision. They will be self-motivated and trustworthy.

Skills and Requirements

- Proven experience as a Video Director
- Outstanding communication and interpersonal abilities
- Excellent organizational and leadership skills
- Familiarity with all video equipment, Blackmagic Switcher
- Three years as a video Director, or five years as a lead camera operator
- High school diploma, BS/BA or Technical school training for Media, in Video Production
